Yanks Abandon Base of Taejon

Forced To Give Up South Korea Capital To The Reds

From BUF. AP, Reuters Despatches
TOKYO, July 20.—The Americans were forced out of Taejon tonight after an all-day fight against North Korean armored forces which smashed into and for a time encircled the city.
United Press correspondent Peter Kalischer reported the squeeze-out at 11 p.m. (6 a.m. Edmonton time) from a vantage point outside Taejon.
Reuters said the last Americans were ordered out of the blazing city at dusk after a day of street fighting in which they took a heavy toll of invading tanks. A Communist drive farther west also was reported making progress.
A spokesman at United States military headquarters in Korea said the army had lost touch with Gen. William F. Dean, commander of the U.S. 24th Division fighting at Taejon, but added: "That does not mean he is missing."
U.S. troops were credited with knocking out at least 11 of the score or more tanks which the North Koreans flung against Taejon, which had served as provisional capital of South Korea since the fall of Seoul.

Use Secret Rocket Gun

Using a new 3.5 rocket gun capable of piercing the heavy North Korean armor, the Americans clung to the city stubbornly. An American fighter pilot bank from a mission to the area described it as "burning like hell."
The Communist attack on Taejon began before dawn Thursday. Twenty tanks lumbered out of the darkness, many with infantry perched on their sides. Bazookas checked the advance, but the ground troops

Millions Are Added To Federal Budget

OTTAWA, July 20.—(CP)—The Korean war has blown the lid off Canada's defence costs, already at an all-time peacetime high.
Following a cabinet meeting yesterday, the government authorized an immediate, wide program that will add millions to the defence budget.

And there is no indication that the program of accelerated Canadian defence effort—adding possibly 8,000 men to the regular forces, doubling the production rate of fighter planes and providing additional aid to the United Nations in Korea—represents the end of Canadian military preparations.

However, one significant phrase in a statement issued yesterday by Prime Minister St. Laurent was that "grave decisions may lie ahead."

The Markets At a Glance

NEW YORK, July 20.—(AP)—A powerful advance in the stock market continued for the third session in a row today.

Prime favorites in addition to the rails were aircraft, steel, motors, rubbers, copper, oil and chemicals. Issues in these divisions tank high as war babies.

MONTREAL, July 20.—(CP)—Prices moved strongly ahead in relatively active trading on the Montreal Stock Exchange and Curb Market today.
Following a quiet and firm opening, prices rose, in some cases, more than a point near the final hour under fairly good demand.

TORONTO, July 20.—(CP)—Industrial stocks again led the advance as prices moved up for the third straight session at the Toronto Stock Exchange. Volume was about 17,000 shares.
Advances ranged from fractions to two points over a wide list of key industrial stocks. Individual share attracted considerable attention.

MOM AND POP PLAY THE RACES

MOM'S STAKE \$50.90
She wrote River Wait fifty rimped down 'in front in the second at Edmonton yesterday, but since I only had him to place, I collected only \$43.5, which is better than a hole of hay. I finally have my original stake of \$50 back now and I'm on my way to fame and fortune. This really is a silly thought I guess, when you consider that not many have made fortunes playing the ponies. However, it's fun as long as no one gets hurt. And so today I'm taking a two back flyer on Playeur I like Time Belle to be the fourth, so another device on the line in the seventh.

POP'S STAKE \$77.00
Well sir, I put a bad one at Edmonton yesterday when my Ella Tyst just didn't have quite enough to last out in that last race and ran second with my money riding on the nose. However, was a good try and I can't complain. But today I see my horse, Gala Rouge, has been scratched from the third, so I think I'll take a flyer on Fair Shake, which hasn't run in public yet. Never can tell what these two-year old maidens will do, so I'll just trust to luck and put a device on the nose. And for tomorrow I like Time Belle to be the fourth, so another device on the line in the seventh.

Top Indian Diplomat Visits Fair

Invited visitor at Edmonton Exhibition today was Hon. S. K. Nigralal, high commissioner from India to Canada who is on a western tour.

The high commissioner said today he would meet Lieutenant-Governor John Z. Bowen and Premier R. C. Manning and then visit the fair.

He said India, through Prime Minister Nehru, had been making every effort to bring about a peaceful settlement of the Korean war, "before it brought on a world conflagration."

He quoted Nehru as saying that India wanted to feel that peace was best in the cause of peace.

But the country's lack of armed forces made it impossible for India to contribute to a United Nations army, he pointed out.

India was faced with a monumental task in raising the standard of living in the country," he added.

DOLLAR TROUBLE

The difficulties of controlling currencies in sterling areas in trade with the dollar countries were cited by the high commissioner as still hampering trade between India and Canada.

"India has been successful in sending quite a lot of jute and cotton goods, jags, brass wear and spices to Canada," he stated. "It returns we have bought chemical fertilizer and recently a large order of locomotives."

Army Recruits In Edmonton Show Increase

Recruiting for the army has doubled in Edmonton since the outbreak of the Korean war, an army spokesman said today.

Eighty-five persons have made application in Edmonton to join the army since June 1. Of these, 25 stated they were joining up as a result of the Korean crisis, or specifically offered their services for that theatre of operations.

On being told the Canadian army has no immediate plans for Korean operations, five said they wished to join the American army, the spokesman stated.

Of the 85 Edmonton volunteers, 23 were rejected because of marriage, age, education or medical fitness.

Similar recruiting jumps were reported from Calgary and Vancouver.

Public interest in the army display at the Edmonton exhibition is high, the army reported. A total of 7,600 persons visited the display yesterday.

Western Command headquarters at Edmonton has reported letters volunteering service from the U.S. and from overseas.

Leopold Gets Back Throne

BRUSSELS, July 20. (AP)—King Leopold was voted back to his throne by the Belgian parliament today.

He has been in exile in Switzerland since the war. The question of bringing him back split Belgium badly for months, with the socialists particularly being bitterly opposed to his return.

A joint session of both houses of parliament, held 198 affirmative votes for Leopold's return, with most opposition Socialists, Liberals and Communists abstaining in protest. There are 381 members in both houses.

The decision was an indication of the confidence of the Belgian people in King Leopold's return, said a spokesman for the king.

'Heavy Calibre' Nozzles Ordered

Fire Department Up-Dating Calls For New Squad Wagon

Edmonton is going to order \$12,000 to \$14,000 worth of "big guns."

That's what firefighters call the big turret nozzles used on the three 1½ ton trucks recently purchased by the Edmonton Fire Department as part of a modernization program.

The special trucks will carry 1,200 feet of hose and smaller tools designed for fast action.

The big guns will be bought by Chief Instructor George Williamson in the course of six weeks' tour which will take him to Toronto, Woodstock, Ottawa and Montreal in Canada and Columbus, Buffalo, Elkhart and New Haven in the U.S.

The purpose of the tour is to inspect in training schools for a fireman in these cities with a view to incorporating the best features in the new training regime being lined up for Edmonton.

New Wing For Hospital Is Licensed

Immediate start on a \$275,000 extension of the St. Mary's Hospital is expected following granting of a permit for the extension at city hall today.

The addition will be of five stories with a roof penthouse structure. Construction will be of steel, concrete and tile.

Original plans called for a 600-bed increase in 30 additional rooms. The leak, as the Welsh national emblem, is said to owe its origin to St. David.

Let's Make This a Record Year For Children's Day!

EDMONTON EXHIBITION

FRIDAY is "CHILDREN'S DAY"

RECORD CROWDS witnessed racing and other attractions yesterday as Edmonton Exhibition hit mid-way mark with Citizens' Day. Photographer Eric Blund caught these racing fans in holiday mood. Picture was taken from judges' stand, looking south. Citizens' Day brought

many family gatherings to grounds, some making day of it with picnic after enjoying midway and waiting for grandstand show. Show in hitting attendance records. With continued good weather, Pioneers and Junior Farmers' Day on Thursday was expected to continue the festive mood and new all-time records are likely to be set by week-end.

Attendance, Bets Set Fair Record

	Attendance	Parl-Mutuels
Monday	19,500	19,500
Tuesday	22,891	22,891
Wednesday	32,583	32,583
Thursday	32,590	32,590
Friday	24,312	24,312
Saturday	50,329	50,329
Sunday	114,875	114,875

All previous records were shattered Friday, Wednesday, when attendance and pari-mutuel figures soared to an all-time high at Edmonton. Since the exhibition opened Monday, attendance and pari-mutuel figures have continued to show increases over previous years, but Wednesday's attendance total of 32,583 and the pari-mutuel figure of \$19,500 created a record.

For the same day last year attendance was 50,329 and the pari-mutuel record of \$19,500 was set on Saturday last year. Attendance at the races was 9,555 this year as against 6,960 last year.

SHOW A SELL-OUT
The grandstand show in the Gardens also showed a new high with 6,312 attending. The standing-room-only sign was out long before 8 p.m. starting time.

Last year with two grandstands the figure in given as 7,514. In the afternoon Calgary's Mayor Don McKay made a tour of the grounds in company with Exhibition officials.

During the course of his tour the mayor said he was greatly impressed with Edmonton's fair grounds and the layout which is extensive enough to give adequate space to the many varied exhibits and buildings.

"The whole purpose of the fair is to express Calgary's appreciation for the good wishes and the birthday cake Edmonton citizens sent us during the Stampede," he said. Friendly rivalry between the two cities he characterized as a healthy appreciation of the two for the growth and expansion of each other.

Following presentation of the square dance on the Gardens stage, the mayor stayed for the rest of the show which he said he had not seen all the way through in Calgary.

Threats of rain and a sudden cold wind at 6 p.m. sent the crowds scattering for cover and racetracks. By 7 p.m. the rain threat was over and though colder than the previous two nights the ground was no less enthusiastic.

Hot dog and hamburger concessions reported a drop in their sale of "ice cold" drinks and hot coffee was the big seller at night.

Crowds jammed the midway from noon until after midnight with rides and shows reporting the best night's business to date.

At 1:30 p.m., a half-hour before the races were scheduled to start, the entrance stand at the back of the grandstand was

Defence Factory Workers Screened

TORONTO, July 20.—(CP)—The Globe and Mail says today that several employees of a Toronto factory working on defence contracts have been released from their jobs after RCMP security screenings.

In a newspaper story, it says that suspected Communists and Communist sympathizers are being "weeded out of jobs involving military secrets."

Higher Taxes Seen Possible

OTTAWA, July 20.—(CP)—Official development of the Canadian war potential and expansion of contributions of men and materials to the war in Korea will mean that Canadian can look forward to increased taxation in the next fiscal year as a "real possibility," a government official said today.

The forecast of raising funds to defray an expansion of defence costs through increased taxation rather than through the floating of a war loan is in line with the government's "pay-as-you-go" policy official said.

Picnic Held

WHITELAND, July 20.—Whitecourt United Church Sunday School held its annual picnic at the farm of W. Leary six miles west of town. S. Maltin, superintendent was in charge of arrangements. Assisted by B. Pritchard, and R. Stadelbauer.

Crops Improved

HARDISTY, July 20.—Crop conditions in this district are much improved since the recent rains. Last week saw over two inches of rainfall.

Hail has taken a large streak of grain to the south and east of town.

blocked from side to side and queues a black long waited their turn to enter.

U.S. Wartime Controls Ready For Hoarding

Washington, July 20.—(AP)—President Truman said last night he is ready to order price control and rationing in the United States "if prices should rise unduly because of excessive buying and speculation."

He spoke sharply of both practices, saying that price buying is "foolish" and "selfish," and adding:

"Every business man who is trying to profiteer in line of national danger—every person who is selfishly trying to get more than his neighbor—is doing just exactly the thing that any enemy of this country would want him to do."

The president reiterated in a broadcast speech that "International Communism" must bear responsibility for the Korean crisis. Truman had sharp words for Russia's attitude toward the affair.

AMERICAN REQUEST

Monroe had refused an American request that it use its influence with the North Koreans to halt the attack, he president said.

The Soviet government has said many times that it wants peace in the world, but its attitude toward this act of aggression against the republic of Korea is in direct contradiction of its statements.

In most respects, the president's radio message was a brief, simplified version of the message he had sent to Congress earlier in the day, asking \$10,000,000,000 to finance the Korean defense expenditures in the U.S. crisis and wherever else needed.

He said he will ask for "substantial increases in taxes" as a move to provide these funds and to curb inflation and profiteering.

"It was an act of raw aggression, without a shadow of justification. I repeat—it was an act of raw aggression."

He said he will ask for "substantial increases in taxes" as a move to provide these funds and to curb inflation and profiteering.

Small Town Politics Theme of Capitol Film

Small town politics provide laughs galore in the Metro-Goldwyn-Mayer film, "The Reformer and the Redhead," showing at the Capitol theatre today.

The cast includes two lions, one giraffe, a chimpanzee, a bear, a deer, a camel, goat, pair of fish, a lady llama and 150 schoolboys. It is headed by June Allyson and Dick Powell, one of Hollywood's married couples.

Crooner Swears He Really Can Act

But Mel Torme May Have To Make Movie To Prove It

By Patricia Clary
Special to the Bulletin
HOLLYWOOD, July 20.—(UPI)—A crooner who says he can act gets the same thoroughgoing around here as a guy who's seen men from Mars. Mel Torme, who says he can act, may have to produce his own picture to prove it.

"I'm like Edison claiming he invented an electric light," says the Wright brothers claiming they can fly," he said. "Producers look at me indulgently and say, 'Oh, please, not that.'"

Torme's seen a few other crooners who thought they, too, could act, and he doesn't blame the producers for being wary. But himself, he said, he really can.

"I don't want to be a swan crooner; I'm an entertainer," he said. "I've seriously thought of producing my own movies."

Everybody in town, from Lana Turner to Louis B. Mayer, is jamming into the Mocambo these nights to see Torme. And he's really giving them his all.

"I give them a little of everything—play the drums, imitate Frank Sinatra, I can even laugh a little and cry a little."

"I pray to God every night that some producer or director saw me and will give me a chance."

Religious Freedom
KARACHI (UPI)—The Pakistan government has instructed all educational institutions in centrally administered areas that "every person is absolutely free to study and practice his own religion."

Inside Hollywood

By Bob Thomas
HOLLYWOOD—(AP)—This week the most popular actor in Hollywood is an amiable Irishman named William Gargan.

Wherever he goes, Gargan is mobbed by his fellow actors, many of whom haven't worked for a year or two. They want to know what he is doing.

"I tell them to jump right into it," said Bill. "I've always said that an actor out of work is no better than anybody on said row. He's just a guy without a job."

Gargan is a guy with a job—a weekly, without options, as Martin Kane on TV and radio. This he is the envy of his fellow craftsmen and an oasis for them.

"Look for 17 years I made a good living out of it," he says. "I was never a star; my name appeared above the title in B pictures, but I always got featured billing in the big ones."

Now's the payoff
In 1948 a friend urged him to take a look at the TV set-up. He took a New York friend did. He now is taking his first vacation in 18 months.

"Naturally, I didn't make much money the first season," he admitted. "But now television is beginning to pay off. And the Hollywood men had better get into it soon. Because TV is creating its own stars."

A few years ago, I used to figure the name Gargan meant a quarter-million dollars on a movie marquee. Somebody like Gary Cooper would mean, perhaps \$500,000. Cooper may be worth that today, but I wouldn't say there were more than 10 other stars whose names meant anything at the box office.

"The mountain top" isn't going to come to Mahomet (film stars). It will have to be the other way round."

Beauty Wins
Affair of Heart
MADRID, Spain, Aug.—(UPI)—Conita Wilson and Pamela Hale twice were devon when votes were counted in a beauty contest here. Told to cut cards for the title. Conita drew the eight of hearts and Pamela drew the nine of hearts.

Jasper's Variety Recalls Visitors

Its Many Recreations Calls Them Back Year After Year

Within the boundaries of Jasper Park are so many attractions that it is difficult for short-time visitors to take in everything in one trip and, year after year, many return, together with thousands of new tourists.

Among the more popular outdoor sports in this beautiful area of mountains, glaciers, lakes, rivers, and waterfalls are boating, swimming, fishing, golfing, trail riding, climbing, and skiing.

The waters of the park offer vigorous sport to ambitious paddlers. Voyaging down the Athabasca River, where few portages are encountered, is a thrilling experience. The placid waters of Lac Beauvert and Lakes Tiedin, Assiniboine, Medicine, Maligne, and Edith have a special appeal to those who love the "song of the paddle."

Swimming in the many beautiful lakes of the Canadian Rockies, enjoying mild mountain air and sunshine, is an exhilarating and healthful sport, especially for the young and vigorous.

The lure of Mistle Hot Springs, 30 miles from the town of Jasper, has long been established. These mineral springs are among the hottest in the Canadian Rockies. They have a reputation for their therapeutic properties and are popular with those who prefer warm water for bathing.

One of the most delightful recreations in the park is sport fishing. A dozen fine fishing lakes lie within three miles of the town of Jasper. Rainbow, cutthroat, brown, and lake trout are within easy reach of the angler.

Rapidly growing a major attraction for tourists is one of the largest fish hatcheries in Canada, where as many as 200,000 "fingerling" trout may be seen. Long bathing and feeding troughs in the main building. The importance of this hatchery in replenishing the lakes and streams in the Jasper area is now widely recognized.

British Non-Com Given Discharge

WORCESTER, Eng., July 20.—(Reuters).—A British army non-commissioned officer yesterday was sentenced to four years in jail and dishonorably discharged from the service for conducting a "reign of terror" against 19-year-old recruits.

A court martial here heard charges that Lance-Bombardier L. C. Youngman struck the recruits, attempted an improper act, and blacked their faces with boot polish.

Youngman said: "I did give those lads a tough time. It was my duty to do so."

Lawyers Meet

LONDON, July 20.—(Reuters).—Lawyers from 38 countries, opening the International Bar Association's conference here yesterday, condemned the use of truth drugs and lie detectors to extract confessions.

JASPER'S PRIDE—From the far reaches of the great Columbia Icefield this glacier stokes, swooping across the crest of the mountain, surging like breakers against

Columbia Icefield Ranks With World's Wonders

The Columbia Icefield in the Canadian Rockies is one of the most stupendous sights in the world.

The largest accessible glacial deposit on the North American continent south of the Arctic, it stretches itself in splendid disarray over 110 square miles of mountain area, and from its breast boundless rivers pour forth to give being to streams which, choosing three separate pathways, nurture three great rivers, each flowing to a separate sea.

The entire route of the 136-mile mountain Jasper-Banff Highway, from the steps of Jasper Park Lodge to its southern terminus, runs through wild and gorgeous national parks and no highway anywhere affords such an overwhelming burst of grandeur as does this, as 70 miles south of Jasper, it swings past the Athabasca, Snow Dome, Kitchener and other glaciers, whose long, heavy fingers hold the mountains fast within their frigid grip.

The route of this highway begins in tranquility. Leaving Jasper Park Lodge it follows the Mount Edith Cavell road a little way and then bends gently down-

ward through an avenue in the forest to the center of the valley, where the wedding of the waters of the Athabasca and Whirlpool Rivers take place. It follows, for a distance, up the whirlpool, then crosses the height of land to join the Athabasca again.

NATURE IN TURMOIL

Here it seems, for the first time, the turmoil of Nature that is to come, for at this point the Athabasca, in one mad turbulent leap, hurls itself a hundred feet or more into a chasm. Containing deep quiet woods, the road again until it comes upon the Sunwapton River, where its waters leap into space even more madly than those of the Athabasca.

From there the road climbs gradually to timberline. Following the Sunwapton to its source, the Highway enters a vast amphitheatre hemmed by giant, sky-shattering peaks.

Out of this great bowl there seems to be no escape for the road. Its way appears to be blocked by a motionless wall of rock but it eludes this barrier by switch-backing through the forest and emerges to present in all its startling reality the incredible passageway of the Columbia Icefield. SWEEPING GLACIERS

Where, before, isolated ice caps were to be seen upon the mountains, now gigantic glaciers invade the valley, sweep up the slopes, and plant their gleaming standards on the crests. To the right, a sheer precipice of ice, hundreds of feet thick, covers the whole top of Snow Dome. Nearby, a river of ice is draped like a silver cape over the shoulders of Mount Kitchener. Everywhere the eye looks, gleaming peaks pierce the sky.

But it is as though the full glory of this machine view is unfolded. There, Mount Athabasca, from peak to base is covered with a tremendous glittering glacier so tremendous in its scope that it is breathtaking.

Five miles beyond the Athabasca Glacier the road crosses the southern boundary of Jasper National Park and continues to Lake Louise, a distance of 71 miles.

The committee annulled the motion after approving it earlier in the day. It substituted instead another, asking the government to petition French drinks against the competition of Coca-Cola.

National Park Boasts Historical Background

Mention of Jasper National Park always conjures up memories of early explorations in the "Far West" since the region in which it is situated has a fascinating historical background.

Early fur traders, explorers, missionaries, scientists, and many other pioneers traversed undisturbed through its valleys and across its mountain fastnesses.

In bygone days the fur brigades trekked over the famous Athabasca Trail, the "Eastern Highway" coming up the Athabasca River from Fort Edmonton and through the Athabasca Park to a point where it was met by the "Western Brigade" from the Pacific Ocean.

While much of the glory of the trail departed with the passing of the fur trader, the building of the railroad across that section of the Canadian Rockies once again revived interest in this superb scenic area.

Established in 1907, the park has an area of 4,200 square miles and is one of the largest national parks in North America. Within its boundaries lie part of the vast Columbia Icefield, 150 square miles in extent.

OLD JASPER HOUSE Headquarters of the park and starting point for recreational activities is the little town of Jasper, which derives its name from Jasper House, a trading post established on the Athabasca River about 1813 by the North West Company.

A resident superintendent supervises the administration of the park. From Jasper, a highway follows a great, later-mountain trench through the valleys of the Athabasca, Sunwapton, North Saskatchewan, and Bow Rivers.

Shah Denies Soviet Rights TEHRAN, Iran, July 20.—(AP).—Shah Mohammed Reza Pahlavi said yesterday Russia has no rights under a 1901 treaty with Iran to have here if she feels herself threatened by foreign activities in Iran.

The Shah in an interview said the Soviet Union, in her propaganda, has been pointing to the fact that she has a treaty with Iran for the purpose of counter-revolutionary White Russians.

Bufs Punish Purities 11-7
Calgary Buffs got back in the thick of the battle for third place in the Big Four inter-city baseball league last night when they scored an 11-7 win over Purty 9ers before an early crowd in Buffalo Stadium.

Bufs now are only a half game back of the third-place Oimons, with one game in hand.
The wins paved the way for the Buffs to win what was earned by rightlander "Dude" Balders. The 22-year-old Buffs mound arm ended the rest of the way with a one-hit performance.

All North Side Legion youths are requested to report to Clark Stadium at 6:30 tonight for the soccer league game against Canadians.

FAN FARE
UNDER THE BOB MOH'S...
The fans of the Edmonton Highlands golf club are expected to turn the tide in the match against Mohs.

(Special to the Bulletin)
SASKATOON, July 20.—Around here today an Edmontonian, name of Vern Mohs, was being mentioned in the same breath with Canadian amateur golf tournament favorites such as Nick Westlock, Windsor, Bill Mawhinney, Vancouver, Gerry Kessinger, Kitchener, and one or two others.

Married-faced Vern yesterday showed two favorites as he marched along with the select field to the tournament quarter-finals. First the Edmontonian dropped Dick Moore of Vancouver 3 and 2 and then came right back to sideline Winnipeg's big Mike Pidaski in a three-paced duel, one-up.

The Highlands man was rated for a good showing against both Moore and Pidaski. But in each case the experience of the Vancouver and Winnipeg players was

SILVERBERG, ROLAND CLASH FOR 3RD TIME

SASKATOON, July 20.—(CP)—Laurie Roland of Vancouver and Doug Silverberg of Red Deer, Alta., will meet today in their second 18-hole attempt to break a tie for the Canadian Amateur Junior Golf championship.

Tournament officials announced the two young shotmakers will tee off at 1:00 p.m. MDT. In the event of a tie at 18 holes, they will play until it is broken by any succeeding hole.

Roland and Silverberg, now eliminated from Amateur match play, tied in the 36-hole regular competition, and again in an 18-hole playoff.

Cards Regain Lead In National League

NEW YORK, July 20.—(CP)—You have to look quickly these days to find your favorite team at the top of the National League standing.

Yesterday Boston Braves, St. Louis Cardinals and Philadelphia Phillies were all grouped up there. Today St. Louis is holding the spot in solitary splendour.

The Cardinals protected their spot yesterday by crushing New York Giants 10-1 in the afternoon final of a day-night doubleheader.

LENGTHEN HIS STREAK.
Stan Musial doubled in the fourth to run his consecutive hitting streak to 22 games.

The Cardinals made their grip on the lead a little tighter by taking second game of the doubleheader 10-1 in the second inning.

The Phillies and Pittsburgh Pirates divided a twin bill. The whiz kids taking the 11-inning opener 5-2 on Granny Hamner's towering homer and the Bums the nightcap 4-2.

Ray Smalley paced Chicago Cubs to a 2-1 victory over the Braves—made the Braves dropped out of first place as a result.

Smalley hit his 10th homer of the season, doubled and singled, and scored three runs.

ALL LEADERS WIN.
The American League top-place Detroit Tigers nipped two threatening rivals in the bed, while trailing out a 5-3 victory over Boston Red Sox for rightlander Dizzy Trout.

Citizens Day Crowd Sets Betting Mark

Upwards of 10,000 followers of the banglows shared the spotlight yesterday with Calgary owner Bill Yates and the good spritzer Doc Little as a Citizens' Day racing card went its way at the Exhibition grounds.

The folks who came to wager on the naps of their choice poured a total of \$10,000 into the pari-mutuel machines.

This was a new Alberta record, far exceeding the previous provincial high water mark of \$717,702 reached here during the Fair meeting a year ago.

Any doubts that Edmonton laid the "betting" centre on the prairies were summarily wiped out by yesterday's performance by the fast-buck crowd.

Only the fact that a wind-rain squall blew up following the sixth race prevented the punters from chucking it in at better than \$200,000.

Yates scored with Doris Y in the first race. This made it four straight victories for the Yates string, starting with a triumph by Yates Junior at last Friday's day.

Both Wilf Y and Austin Yates got back in front Tuesday.

Doc Little, seven year old geld of Yankee Doodle—Flying Dutchman, racked up a hollow (charismatic) victory over the field by six lengths over Playful Pilot in the feature Northland handicap.

What's more he returned a whopping (under the circumstances) payoff for a decent money position, previously down on his luck, got well fast as prices were posted.

Veteran Roy Russell had the mount he laid Doc Little out of the gate on the front and never as much as glanced behind over the seven furlongs test.

River Wal (56.65) took the second heat and the daily double payoff hit the \$22.15 level.

Other winners were Gay Paris (89.15), Recollet (82.70), Diamond (84.75), Sierra Mac (84.10) and Sun On (82.10).

Quinn on the last race (there were eight races) paid \$11.80 on Sun On and Ella Tryst paid \$14.80. It was a 1-5 combination.

How About Edmonton?
PHILADELPHIA, July 20.—(AP)—Philadelphia Phillies plan to move their class "A" Union, N.Y. franchise and their class-B Williamsport, Pa. farm team to other cities because of "ragging" financial losses.

Where the teams will be placed has not yet been decided, a club spokesman said yesterday. But he added that several offers had been received and were under consideration.

Attendance in the two cities has decreased sharply. Whether radio and television had anything to do with the steady decline in fans at the ball park the spokesman declined to hazard a guess.

NEW YORK.—The Yankees hold the A-1 home record with a total of 182 in the 1936 season.

The seven inning upspring made better the winner, Kemp the loser at the finish.

Last night's triumph for Kalmus moved them a game and one-half in front of the second place Dodgers.

The losers had an alibi, too. Previous to the game they "sat" for a group picture and so everyone knows this is inviting sheer disaster—on any baseball tradition.

Manager Ed Morris shook up the Ek line-up for this one. He took George Bradford off first place and inserted himself at the gateway, replaced regular third-sacker Freddy Goetz with utility man Jerry Seamon.

A yen for more power was behind the move.

BLIND GOLFER CARDS 108 TO LEAD TOURNEY

AUGUSTA, Me., July 20.—(AP)—Art Smith of Philadelphia, who lost his sight in a land-mine explosion during the second world war, took a four-stroke lead yesterday in the 36-hole National Blind Golfers tournament.

Smith posted a 108 for yesterday's 18-holes of medal play at the Augusta Country Club. Defending champion Charlie Boswell, Birmingham, Ala., trailed with 112.

Dauthuille Scores 3rd Round Knockout

MONTREAL, July 20.—(CP)—Blond Laurent Dauthuille of France last night emerged as a strong possibility to meet champion Jake LaMotta for the world's middleweight crown when he chilled Tuzo Portegues of Costa Rica at 1:08 of the third round of their 10-hat heat at the Montreal baseball stadium.

Dauthuille, 26, started at a slow pace but suddenly opened up with a barrage of rights and lefts in the third round.

Portegues hit the canvas for an eight-count after taking a right-hand punch. He was unable to quicker Dauthuille's next storm.

The quick end was a surprise to the estimated 10,000 persons in the stands who were peeling down for a long-drawn-out battle.

The fans apparently didn't think that Portegues had taken enough punishment to stay down.

In the first, he appeared to be in top condition and it was he who carried the fight to Dauthuille at the opening of the third. That was the first time the two really mixed it up. The end came at 1:08 of the third.

Dauthuille already has one victory of LaMotta. Before the Montreal fight the title from the late Marcel Cardin, Dauthuille scored a 10-round decision over LaMotta here.

Dauthuille's victory was his second in a month over Portegues. In their previous meeting here, the 22-year-old Costa Rican was stopped in the sixth.

Canucks Advance In Bisby Meet

BISLEY CAMP, Surrey, England, July 20.—(CP)—Six Canadian marksmen have reached the second stage of the King's Prize shoot at the Empire Rifle Shooting championships.

W. H. Ostergaard of Calgary, Alta., a second-year man on the Canadian Bisley team, led the official team members with a score of 90, while right behind him were Col. J. H. Bala, Montreal, and Eric Cowan, Montreal, and CQMS J. S. Draper, South Porcupine, Ont.

Two students from the central Collegiate Institute in Hamilton, Ont., also qualified to advance to the next round. They were cadets

Stott, Helen Roche Rate No.1 Seedings

Draw secretary Vivian Biddell last night announced the seedings for the Provincial tennis tournament. There were no surprises.

Holding down number one slot in the singles event are the champions, scheduled to get underway Monday morning at Glendon, are defending titlists, Johnny Stott and Calgary's Helen Roche.

Although Stott was given first rating in the men's singles he is considered no more than even bet to beat former champ Gordon McLaws of Calgary.

In two Dye Cup meetings this season McLaws has disposed of Stott in straight sets.

Following Stott in the men's singles seeding are McLaws, Al Ingall and Don McLachlan, Calgary, in that order.

Remaining seeds in the ladies' singles are Chris Dunsmore, Calgary, Nancy Collinge and Isabel McConnell, both of Edmonton.

Stott and Dr. Hal Richard, defending men's doubles champs, were given first seeding, followed by Les McManus and Ken Grier, both of Edmonton.

Third are McLaws and McLachlan and fourth, George Docherty and Ingall.

Miss Roche and Jean McLaws are top seeded in the ladies' doubles, with Edmonton's Beanie Michayev and Pauline Ingall holding down second position. Other two choices are Irma McLachlan and Isabel McConnell, and Barb and Marge Forrester.

First and fourth spots in the mixed doubles event are strictly family affairs with Gordon and Jean McLaws in number one place and Pauline and Al Ingall in the later.

Other two positions are taken by Dr. Hal Richard and Nancy Collinge, and Andy "Shurt" Purcell, teamed up with Beanie Michayev.

Finances, Fans Fold Ball Club

BUTLER, Pa., July 20 (UP)—The Middle Atlantic Baseball League operated "normally" today despite the loss of the Vandergrift Finances because of financial reverses.

Vandergrift was formally removed from the league last night at a special meeting between league president Elmer Daily and the club owners. Daily said games previously scheduled with the Finances would simply become idle days for the affected teams.

TOSS PUNCHES AFTER RUGBY TILT

SYDNEY, Australia, July 20.—(Reuters)—Players traded punches and one man was knocked out in a brawl which followed the rugby league match at Woolongong where Southern Division yesterday defeated the British touring team by 18-11.

Earlier in the match Bob Ryan, British forward, had been sent off for allegedly striking an opponent.

Feeling crept into the game after this incident and when the match ended the scuffle broke out and Hurley, a New Zealand forward, was knocked out.

The British team held 11-4 at halftime.

They are Sgt. G. H. Kay, Hamilton, Ont.; Maj. G. C. Baker, Kenilworth, N. cadet; and Hunt.

BUCKY WALTERS TO PITCH FOR BRAVES

BOSTON, July 20.—(AP)—William (Bucky) Walters, 40, who has won 198 Major League games but hasn't seen action in two years, yesterday was released as a Brave and placed on the active list as a pitcher.

A Braves spokesman said the change was made in the belief that Walters is still capable of doing a turn two or three times his age.

Walters' best year was 1944 when he won 12 and lost eight for Cincinnati Reds. His last year of active service was in 1948.

Cord Seeks Puck Tie-Up

LOS ANGELES, July 20.—(AP)—Owner Charlie Cord of the Los Angeles Monsters hockey team said yesterday he had made an offer to the northern division to join in his club a seventh member of the Pacific Coast League.

The southern division has collapsed "through no fault of mine," Cord said, with the folding of the San Francisco, San Diego and Fresno teams.

Cord said he had offered to pay a portion of expenses for the six northern teams to make two trips here each season. A final answer has not been received.

Vancouver, New Westminster, B.C., Victoria, Seattle, Tacoma and Portland comprise the northern division.

This and That

They broke all records at the Exhibition race track yesterday. A lot of race track patrons tell me the same goes for them.

At least nobody talks about the cold war anymore.

Can't understand anyone getting tired signing \$1,000 bonds. But down in labor-saving U.S.A. they make it easy for persons signing bonds.

Deputy provincial treasurer K. J. Hawkins going to New York in August to sign a bond issue worth \$60,700,000.

He'll have a master pen that signs 20 \$1,000 bonds at a time. Even then he'll have to sign on the dotted line more than 3,000 times.

And this cramming chore has to be performed on behalf of a government pledged to deliver the people out of financial bondage.

What does this mean? A bestrawmmed wedding car parked right in front of an undertaking parlor on 109 street. Saw it with my own eyes.

Is this treason? Edmonton's Carl Berg has discarded his black derby in favor of a Calgary style steaton. (A gift from Calgary to Carl, probably in recognition of that big birthday cake.)

Carl's black derby was to Edmonton something like Churchill's cigar to the people of Britain.

Lady With Gun

Lay that pistol down. That must have been the song folks in Jasper Avenue establishments were singing the other day. That's if they felt like singing what they probably didn't.

This is what happened: Wing Cmdr. Frank Hillock of Northwest Air Command wanted a new rifle. So he asked his wife to buy him a gun.

Mrs. Hillock bought a gun with a nice long shiny barrel.

Then she just fugged it around while she did a few other errands. I'm told that department store clerks covered behind the relative safety of counters when she entered a big Edmonton store.

But there was real consideration when "gun-toting" Mrs. Hillock walked into a Jasper Avenue bank.

Mrs. Hillock doesn't look a bit like a bandit either and would probably be frightened to death to pull the trigger.

Try and blush this one out, district traffic manager J. S. Graham of the RCMP.

I mean that snit, enticing circular in which TCA advertises a holiday flight from Edmonton to Bermuda and back for only \$382.50. It states additional information may be obtained from Mr. Graham, Masdonald Hotel, Edmonton, Saskatchewan.

North Koreans are being pulled back from the Kum River. They probably wish they had never "Kum."

Elegant Elsie was a bit disappointed in the atom bomb exhibit on the midway. Elsie says she looked at the thing for 10 minutes and never saw a single atom.

An erudite goodnight to all and especially to people who can pronounce names of places in Korea.

Slower, Happier Days Recalled By Pioneers

Alberta pioneers share the spotlight with junior famers at the exhibition grounds today.

More than 150 old timers have come to the fair to reminisce about the old times.

Many of them are now in their 70s and 80s, but today will be their day to shine.

They will be telling their stories to the young people who are visiting and renew old friendships.

This is a home away from home for the pioneers, said J. A. McNeil, secretary of the fair.

Calgarians Say Thanks For Cake

By Mike Martin

Bulletin Staff Writer

Those refugees from the Calgary Stampede, Mayor D. C. McCall, Stampede Queen Ellen Beckner and company, really won the hearts of the Gardens' audience last night.

The mayor, queen, her attendants, two groups of square dancers and a three piece orchestra appeared on the stage before the grandstand show got underway.

First there was general Mayor Mackay's cowboy music-making official. He brought greetings from Calgary "which I understand is now known as the 'Gateway to Edmonton'."

Then he told the packed house how much Edmontonians felt anniversary cake was appreciated by the folks down south.

HATS OFF

Calgary's white Station, the Mayor walked off the stage saying "I left my hat on while I was talking to you, would have the privilege of taking it off to the people of Edmonton."

Then the attractive brunette, Ellen Beckner, said "speaking as a queen, I can certainly say that we've had a royal welcome."

The person-plus girl thanked Edmontonians for their warm and Dan Mackay for making the trip possible.

The dancing followed the speeches.

Calgarians danced of Calgarians clapped, yelled and whistled, the boys and girls stomped away to cowboy music.

Highlight of the dancing was the dance in darkness when fluorescent cowboy clothing glowed, giving an effective finale to the fine performance.

Queen, attendants, dancers, band and a few others up for the show, the Stampede Queen, Ellen Beckner, said "I am sure that we have had a most enjoyable evening."

Mayor Mackay is returning to Calgary tomorrow.

Women Today

EDMONTON BULLETIN, Thursday, July 20, 1935 13

REMINISCENT of vaudeville days is this Calgary family whose square dancing fame brought them to Edmonton yesterday for performances here. Mr. and Mrs. A. E. Sillicker did all intricate embroidery and

bead-work on their colorful costumes. Sitting next to his father, Calgary woman, is Albert with John, Alberta, Madeline and Evelyn down line. There are four other Sillicker children at home.

Fall Hats Feature Head-Hugging Style ... With Odd Trim

Fall hats shown today by French modiste Simon Cange are small toques and cloche affairs that sit forward and straight on the head. The cloche style shown by Cange is a small porpoise shape that has no brim at the back but developing into a chunky roll brim or narrow peak in front. Her toques fit the back of the head rather like a skull cap, but continue to form a cushion effect in front. Wings and flaps that grow out of each side of most of these hats look like the mudguards covering the ears. Attached to them are all sorts of odd trimmings—birds made of steel aquilinas of white breast feathers, huge diamond rings suspended like earrings to the flaps.

in the KITCHEN...

By Jane Scott

Bing cherries... sweet juicy fruit to eat out of hand... to use in summer salads, or desserts, preserves or jam for winter.

Bing cherries are in season now. We've had high-cost shipments from California for weeks. Lower-priced cherries from British Columbia arrived this week in Edmonton shops to sell at prices ranging from 80¢ per pound upward. Both the black and lighter-colored fruits are available.

For a quick salad, pile pitted cherries in the centre of a bowl, top with half and top with fluffy dressing and a whole cherry.

Place on lettuce leaf and garnish with a stemmed threesome of cherries at the side.

A refreshing treat of a warm summer's day is a fruit cherry sundae. Chop pitted Bing and four parts cherries add one part sugar. Stir until all sugar is dissolved then drizzle over vanilla ice cream.

Ummmm mm... you and your family will love this.

CAN PITTED BINGS

A new hairpin works fine to hook the pits and pull them out. Measure pitted cherries; add 1/2 cup sugar to each quart of fruit. Let stand 1 to 2 hours to draw the juice. Cook slowly until sugar dissolves and cherries are heated through about 2 minutes. Pack hot. Process 10 to 15 minutes in hot-water bath or 5 minutes in pressure cooker at 15 pounds pressure.

BINGS FOR SNACKS

Pile cool Bing cherries in centre of large tray or Lazy Susan. Cover with assorted cheeses and crackers. Or spread crisp crackers with cream cheese. Top cherries with Bing Cherry Jam. Recipe, below.

BING CHERRY JAM

3 1/2 cups (about 2 pounds) pitted Bing cherries
7 cups sugar
1/2 cup lemon
1 bottle fruit pectin

Chop cherries or grind. Measure sugar into large kettle. Add cherries, packing each cup down. If necessary add water to make 3 1/2 cups. Add lemon juice; mix well. Heat to a full rolling boil, stirring constantly.

Boil hard 1 minute; remove from heat; stir in pectin. Add 1/2 teaspoon citric acid; if desired 1/4 teaspoon cherry flavor.

Stir and allow alternately 5 minutes to cool slightly and prevent floating fruit. Seal in hot sterilized glasses. Makes about 3 1/2 quarts.

CHERRY SURPRISE PUDDING

Cake comes to the top, and a luscious cherry sauce forms in the bottom of the pan.

2 cups pitted Bing cherries
1/2 cup shortening
1/2 to 3/4 cup sugar
1/2 teaspoon almond flavoring
1 cup enriched flour
1/2 teaspoon salt
1 teaspoon baking powder
1/2 cup milk
1/2 cup hot cherry juice and water

For the pitted cherries add until juice seeps out. Thoroughly cream shortening and 1/2 cup of the sugar. Add almond extract. Add softened butter. Mix just until smooth. Stir in 1/2 cup milk. Drain cherries; add enough water to make 1/2 cup. Beat cherries over batter. Spoon into remaining sugar. Bake in 9x13 inch pan at 350° for about 30 minutes. Remove warm, topped with whipped cream or plain cream. Serves 6.

BLACK BEAUTY PIE

The Black Beauties are Bings—3 cups pitted Bing cherries.

1/2 cup sugar
1 tablespoon enriched flour
1/2 teaspoon salt
1 teaspoon cinnamon
2 teaspoons lemon juice
1 tablespoon butter
1 recipe Plain Pastry

Combine cherries with sugar, flour, salt, cinnamon, and lemon juice; let stand while preparing pastry. Fill 9x13 inch pan with pie mixture. Top with butter and adjust top crust. Bake in hot oven (425°) 30 minutes.

BING CHERRY SALAD

Cashew nuts and olives make the flavor unusual and delicious.

2 cups ripe Bing cherries, pitted
1 1/2 cups cherry juice and water
1 package cherry-flavored gelatin
1 tablespoon lemon juice
1/2 cup stuffed olives, sliced
1/2 cup cashew nuts

Add water to juice that seeps from cherries to make 1 1/2 cups. Dissolve gelatin in water. Add remaining ingredients. Chill in 6-cup individual molds or shallow oval plates. Serves 6.

PINEAPPLE CHERRY COBBLER

A LA MODE

1 quart vanilla ice cream (bulk)
1 slice canned pineapple
2 cups canned pitted sour cherries, drained
1/2 cup chopped nut meat
3 cups sifted flour
1/2 cup sugar
3 tablespoons baking powder
pinch of salt
1/2 cup butter
1/2 cup milk
1 egg, beaten

1-pound hot-bottomed glass coffee dish. Sprinkle with chopped nut meat.

Sift flour, sugar, baking powder and salt together. Cut butter into flour mixture until particles are the size of small peas. Combine milk and beaten egg. Stir into flour mixture mixing just enough to dampen the dry ingredients. Pat dough out lightly on a floured board about 1/4-inch thick. Cut into 6 rounds with a Scotch biscuit cutter.

Place rounds on top of cherries in approximately the same position as the pineapple slices. Bake in a moderate oven (350 degrees F) for one hour. When serving invert each serving so that the biscuit is on the bottom. Top with a large scoop of ice cream.

Mother, Daughter Winning Cooks

A meat 'n' potatoes man, Bert Muller is smack in the middle of a family of "best cooks."

His wife, for years a top winner in Edmonton household cook-ery displays, is a white at deep cookies, shortbread and macarons, not to mention countless other goodies.

But Mrs. Muller won first prizes for these at the annual fair this year. As a matter of fact she led the list of competitors in the entire section with her collection of prizes.

Daughter Margaret, now 16, was awarded 15 first prizes, a trophy, a silver and a silver cup for her cooking.
